

Appendix 3 – The Blood Covenant Review Statements

RE-301/501/701 The Blood Covenant

1. We have a blood covenant through Jesus with God Almighty.
2. We have a whip which represents the Blood of the Lord Jesus, and with this whip we can whip the Devil unmercifully.
3. We have an arch (Jesus' atoning Blood) between God and us.
4. As God looks down through Jesus' Blood, He sees us holy, unblameable and perfect.
5. Under the Blood of Jesus, it is man and Satan only who see our sins, faults, and failings.
6. The blood covenant is the most solemn, binding agreement possible between two parties.
7. There are those who insist on the belief that there was a gradual development of the race from a barbarous beginning, but we know that man started on a higher plane and degenerated.
8. When two men enter into a covenant, they consider themselves as a possessor of a double life.
9. Marriage between a man and woman who have made a blood covenant (not a marriage covenant) is considered incest.
10. The fact that there are primitive blood covenants in every country in the world shows us there is a common origin.
11. Christ had to die so we could live. Christ had to shed His Blood to save us. Christ had to become naked so we could become clothed.
12. When you begin to understand the utter holiness of God, you marvel at the precious Blood of Christ, typified so gloriously in all the ancient Hebrew sacrifices.
13. In some churches, water baptism has replaced salvation through the Blood.
14. Just as the sacrificial lamb had to die and its shed blood be applied, so the Lamb of God, Jesus Christ, had to die on the cross, where His Blood became a separation between life and death, obedience and disobedience, sons of God and sons of Satan.

15. The exact month, the exact day of the month, and the exact time of day for the slaying of the Lamb was ordained before Christ our Passover was sacrificed for us.
16. The moment our Lord died on the cross, the veil of the temple was tom in two from the top to bottom. When this veil was tom, the glorious Holy of Holies was opened and the way was made for sinful man to come into the presence of a Holy God.
17. At the moment of our Lord's death, the terrible darkness which was over the face of the earth lifted and light came into the world.
18. The Body and Blood of Jesus did not perish at Jerusalem, nor did it see corruption. He is in heaven for us right now.
19. God made a covenant with Abram. Jesus, Who was in the loins of Abraham, fulfilled this covenant, and as we are in Jesus, we have fulfilled the covenant.
20. As Jesus has fulfilled the covenant, that covenant can never be broken. Therefore, we can claim every promise in the Bible.
21. The covenant between God and Jesus can never be broken. Therefore, the covenant between God and us can never be broken.
22. Because God sacrificed His only Begotten Son, He accepted His death and His Blood as more than sufficient compensation for the death due you and me, and for all sinners past, present, and future.
23. This Blood is now upon you and me, between God and us for a complete blotting out of all our sins, releasing us from all penalties.
24. The covenants God has made are agreements or contracts more solemn and binding than any legal contract.
25. Is the Blood important?
