

SPIRITUAL GIFTS

Study the spiritual gifts listed in Romans 12:3-8, 1 Corinthians 12 and 14, Ephesians 4, and 1 Peter 4:11, and then list them in the left column of the chart below. In the middle column, list the gifts that you believe you have, or that you need to ask God to develop in you, so that you can assist in the ministry of the Body, the Church. In the right column, list the problems that, according to the Word, require correction in the Church. This should become part of your prayer life and spiritual development.
